SANTA ANA, CALIFORNIA, FEBRUARY 11, 1931

NUMBER EIGHTEEN

New Executive Board Holds First Meet

'Y' Schedules Blanshard For Feb. 17

AUTHORITY FAMED FOR LECTURES

Lecturer Will Give Talks
During Afternoon; Will
Discuss Racketeers
Speaker, New York Civic
Committee Leader

Students of the Santa Ana junior college will be guests of the Y. M. C. A. and Y. W. C. A. on the annual "Y" Day, February 17, during the regular assembly in afternoon discussion groups which will be led by Paul Blanshard, director of City Affairs committee of New York and special lecturer of the League for Industrial Democracy.

Blanshard is declared to be one of the best authorities on civic problems of the nation today and officials of the college "Y" feel fortunate that they have been able to secure a speaker of such magnitude. The lecturer will talk on "Industrial Democracy and the Machine Age" during the assembly hour.

Talks At Breakfast
In order that students may become better acquainted with the lecturer, a breakfast will be held in the college cafeteria. Blanshard will talk at this time on "The High Cost of Living."

Discussion groups scheduled during the afternoon and the time of each is as follows: 12:30 p. m., "Racketeering High and Low—A Social Interpretation"; 1:30 p. m., "Bernard Shaw and Modern Socialism"; 2:30 p. m., "International Economics and the Next War."

No attempt will be made by Blanshard to give any religious interpretation of the problems, but purely a social solution will be offered, it was pointed out.

The "Y" Day is an annual event and all students are invited to attend the lectures, the only expense being a 25 cent charge for the breakfast.

Will Hold Party For Las Meninas

The home of Ruth Fitz, West Chapman avenue, Garden Grove, was the scene of the regular meeting of Las Meninas, Monday evening, February 2. The business meeting was in charge of the new president, Catherine Harwood, who presented the new charter to the club for inspection.

A committee composed of Lorna Allen and Neva McDonald was appointed. (Continued on page 4)

Lions Meet Tonight; Go To District Council Meet Monday

With three meetings scheduled for successive days, and another Monday the Junior Lion members are preparing for a big week. The first meet is to be held at the home of Willard White, and will be in the form of a rush party; each member bringing a guest.

At tomorrow's meeting, the members will vote on pledges, and on Friday the pledging will take place at the home of Eric Twist. These meeting nights were pushed ahead because of the District Council meeting of all the Southern California dens at Fullerton Monday.

The whole club will go to the Fullerton meeting, Ed Meador, vice-president of the club, acting in the absence of Raymond Glesner, president who is now recovering from a major operation at the St. Joseph's

Schedule Two English Examinations Later Part Of Week

Two important English examinations, to be held the latter part of this week, are announced by T.H. Glenn, head of the junior college English department.

A spelling examination for all students conditioned in English 1-A will be given Thursday morning, February 12, at eleven o'clock in room 201. Glenn states that all students concerned should take the examination at this time.

Friday, February 13, a Subject A examination for late entrants will be given in Room 201 at 3:30 p. m. It is necessary that all students in junior college who have not taken this examination do so at this time, it was announced. The fee is \$1.00.

Dance To Follow Basketball Game

Event Will Be Sponsored
By Press Club

Under the auspices of the Press club, an informal college dance will be held Saturday night in Andrews gymnasium following the basketball game between Santa Ana and the Los Angeles junior colleges.

Permission for the journalists to hold the affair was granted Monday night by the Executive Board and the plan was approved by the social commissioner and committee. An admission price of 10 cents will be charged and the dancing will last from about 9:30 p. m. until after 11 p. m. Because no dancing is allowed on the large floor during basketball season, the event will be held in the auxiliary gym. Music will be furnished by a large Orphonic phonograph.

Paul Wright, vice-president and Laurin Griggs have been appointed by John "Sky" Dunlap, president of the club, to supervise the dance. Students from both Los Angeles and Santa Ana will be invited to attend and the proceeds will go to the school, to be applied wherever the Executive Board decides. If the dance is successful, another may be held after the Fullerton game next week.

There will not be a regularly scheduled meeting of the Press club until Thursday, February 26, at which time new officers will be elected and plans made for the new semester. Present officials are John "Sky" Dunlap, president, Paul Wright, vice-president, Margery Adams, secretary and Edgar M. Flowers, adviser.

Fiesta Day Festivities Scheduled For Friday, May 15; Committees In Charge Of Programs Are Selected

Fiesta Day, the most colorful and festive campus tradition will be held May 15, it was announced this week by Marion Parsons, chairman of the day, following her appearance before the executive board Monday.

Members of all committees working on plans for the event were presented to the board and ratified by the body. Although no definite plans have been announced for the festivity, Miss Parsons promises several improvements over the programs that have been given in the past and will announce in the near future new attractions of the day.

The committees and organizations in charge of Fiesta Day events are as follows: hospitality committee, Y. W. C. A. and Y. M. C. A. under the direction of Vernell Butler and Bob Williams; program committee, Wayne Flinn; construction committee, Warren Schutz; decoration committee, Sisterhood of Spinners; luncheon committee, Las Meninas under the direction of Kathryn Harwood; dinner committee, Moavs under the direction of Luella Marshall; exhibit committee, Elizabeth Riniker; punch committee, Juliet Taylor; dance committee, George Griffith; publicity committee, Oran Asa; music committee, Everett Idlor.

Tavern Tatlers Plan For Fiesta

Varied initiation speeches and essays, given by the 10 new members, featured the regular meeting of the Tavern Tatlers, who convened last night in the junior college library.

Following the addresses, the club charter was inspected and signed. The project of arranging a pageant for Fiesta day, which was assigned the Tatlers, was discussed, and committees were appointed to take care of it, by the president, Elva Cook.

New members of the organization include Ruth Gardner, Helen Campbell, Jane Cunningham, Dulcie Green, Mary Mater and George Griffith, Robert Marshall, Bernard Sharpley, Richard Harris and Jack Berger. These members were chosen at the last regular meeting of the club, because of its interest their superiority in writing.

Election of officers for the new semester will be the main feature of the next regular meeting, which will convene February 23.

Alpha Rho Tau Club Meets Tomorrow For Important Business

Alpha Rho Tau, the junior college art club, will hold an important meeting Thursday, February 12, for the purpose of electing officers. The meeting will be held at the home of June Healey in Tustin.

The evening will be spent in discussion and in presentation of short reports on art subjects. The special feature of the evening will be an art chalk talk by Virginia Pope.

Nominations will be made for officers to replace those now in charge. Anna McGillis, faculty adviser of the club, requests all members to be present.

"Shea Shellers" Elect Schilling

Rosalind Schilling was named the new president, and Ruth Brubaker, president of the organization last term, was chosen as secretary and treasurer. Florence Stanley was re-elected sergeant at arms of the Shea Shell Social club during the latter part of chemistry class Friday.

It was decided by the girls that the group would have a picture taken for publication in the "Del Ano". Plans are being made for a stunt in the Hi-Jinks program. Although no definite arrangements were made, the club expects to have a week-end snow party soon.

Junior college students are to be reminded that the college pin, or emblem is now available for students at the Strook Jewelry Company.

Drama Department Works On New Play

"Who Killed Cock Robin?" is the title of the major production of the Santa Ana junior college drama class, this is a three act mystery play and it is to be given on the night of the Fiesta. This play was given by the Pasadena Community players with great success, in fact it was the outstanding play of 1930, according to the head of the players.

The cast for the play is as follows: George McAuliffe, Eugene Olsen; Julian Cleveland, Robert de-Pre; Richard Lane, Michel Hookins; Hancock Robinson, Dean Wright; John Jessup, (to be cast); Alice Montgomery, Marjorie Arundel; Carlotta Maxwell, Marjorie Burns; Clark Torrance, Irvin Couse; Henry Briggs, Bert Wilkins; Doc. Edgar Grace, (to be cast); Maria Scott, Elizabeth Skiles; Helen Maxwell, Ada Marie Hendricksen; Jerry, (to be cast); June Arbutnot, Myra Lake.

Musicians Urged To See S. J. Mustol For Class Registration

Any students interested in orchestra or band are urged to get in touch with S.J. Mustol, instructor, this week. Registration in the orchestra is limited. Mustol stated that he would welcome any musicians who could ar their programs. Class begins at 8 o'clock.

Mustol, besides being a talented leader, has composed many overtures, a number of marches, and about 500 piano selections.

Grade Point Rating Revealed For Clubs

The Moav club, women's organization, received the highest scholarship rating per member of any service club on the campus, it was revealed this morning by McKee Fiske, dean of the college. The Moav members received a rating of an average of 1.6 grade points per unit.

The Gauchos, newest men's service club of the college ran a close second with 1.43 grade points per unit. The Sisterhood of Spinners and Las Meninas, both women's organization tied for third with 1.11 grade points per unit as their average. Junior Lions followed with 1.02 grade points and Brotherhood of Bachelors .93 grade points.

Fisk pointed out that no students were graduated with certificate credit who do not have at the close of their two years an average of 1.00 grade points per unit.

Dunlap Grooms Freshies; Tells Of Many Campus Traditions

To you new students who are at the Santa Ana junior college, we wish to extend a most cordial welcome. This should be the beginning of a new period in your career, one of achievement, friendships, training and pleasure. Every activity of the college is waiting for your selection and we trust that you will become a vital factor in the life of the college.

We have based our traditions on the life of the Spanish Dons and Donnas of early California and you will find their characteristics of hospitality and fellowship everywhere in the college. You are now a Don or Donna and especially during the annual Spanish Fiesta in May, we ask you to observe with us the various customs and traditions of our namesakes.

May you have the best of luck.

John "Sky" Dunlap

Add Instructors To J. C. Faculty

New Professors Added To Science Department

Increased enrollment has necessitated the addition of two new instructors to the junior college faculty, according to a recently issued statement from the college office.

Both these new men, R. R. Benson and Henry Powell will assist H. O. Russell, instructor of physics, surveying and aviation. Benson in surveying and mechanic arts, Powell in physics.

Powell is well known in Santa Ana, having graduated from both the Santa Ana high school and junior college. He is also a graduate of Stanford, where he has been an assistant instructor since his graduation.

Benson formerly taught at Brawley high school and Taft union high school. He is a former student of Stanford, University of Arizona and Pomona, where he spent his freshman year.

Postponing the scheduled skating party in Whittier to enable the El Don staff to hold its semi-annual dinner dance at the Laguna hotel last week, officers of the Press club revealed plans for a business meeting soon to elect new officers.

Annual Bachelor's Ball Will Be Held At Lake Norconian Ballroom

With full permission to hold the annual Bachelors Ball at the Lake Norconian club as was originally planned, members of the Brotherhood of Bachelors formulated final plans for the event of Saturday, February 28 at a special meeting held last night at the home of Paul Bruce, 833 South Lemon street, Anaheim.

A few days ago, the information was current that the board of education had denied permission to hold the dance at Lake Norco but an investigation proved this groundless and Bachelor representatives visited the board last night and received authority to carry on the first plans.

Wayne Flinn, newly elected grand exalted of the organization, presided at the meeting last night and welcomed the prospects for pledges who attended the meet. The gathering was primarily for the purpose of meeting

BODY URGES REFERENDUM OF RULING

Smoking Rule On Trial
For Quarter Under
Student Control

Name Members Of School
Publicity Committee

Urging referendum of the student government rule on smoking after an experimental period of one quarter, severing all activities with the Phoenix junior college and establishing February 15, as the final payment date for notes on student tickets were among the measures passed and discussed by the new Executive Board of the Associated Students in its initial meet Monday.

Through action of the board, the Brotherhood of Bachelors have been granted permission to stage the jazz assembly of the semester. Wayne Flinn, newly elected Grand Exalted, announced February 24 as the date of this program. The assembly will be a highlight of the Bachelor week which will begin February 23 and end February 27.

Smoking Rule Up
Following a discussion as to the steps the new executive board would take to enforce the smoking regulation which was passed during the last semester, it was voted that the present board should rigidly enforce the measure for one quarter. It was urged that after this period if the students generally so desire, the rule be submitted to the association for a vote, this vote to decide whether the problem should be put in the hands of the faculty or left under the control of the students. It was pointed out by the board that this problem truly tests the worth of student government.

Publicity of the institution will be placed in the hands of a publicity committee, the names of members being submitted and passed by the board. The group will be headed by Thomas Clark, vice-president of the Associated Students, whose duty it is to provide for such publicity. Those

Y.W.C.A. Hears Talk On Japan

A featured speaker on the program presented at a regular meeting of the Y. W. C. A. last Monday evening, February 9, in the junior college cafeteria, was Jane Cunningham who was recently a resident of Japan. Miss Cunningham showed various pictures and scenes of the foreign country and concluded by playing Japanese music.

PRESS ASSOCIATION

EDITORIAL COMMENT

Commissioners In Office

New commissioners of the Associated Students are now orienting themselves with their new duties. All students who hold these appointive positions are giving a great deal of their time and energy to the school and its activities.

Cooperation with these various executives including those elected by ballot will mean a better and more lively student organization promoting activities that will surpass any previously attempted by the institution.

Throughout the semester these commissioners will need the cooperation of various members of the Associated Students. Let this request, if it be made to you, be fulfilled without necessary persuasion on the part of the commissioner.

Have You This Mistaken Idea?

"I don't take journalism; I can't contribute to El Don."

This seems to be the mistaken idea of many students of the Santa Ana junior college, or at least the editors have come to this conclusion after hearing numerous utterings of a similar nature for the past semester.

El Don is the official publication of the Associated Students and will accept news copy from every member of the college. All presented copy will be used, providing it contains news value, and will be played up in a way which is characteristic of a college newspaper the size of El Don.

Because of schedule difficulties, many students who would enroll for journalism are unable to do so. REMEMBER! YOU can contribute to EL DON whether you are enrolled in JOURNALISM or not. The opportunity for practice in writing news is YOURS. Take advantage of it!

The New Semester

Some students are exhilarated over the results of their first semester's work while others are in a slough of despair over their waste of time in producing low grades.

The latter are in need of encouragement. Various classes have dwindled in number on account of these despairing ones who started off on the wrong foot and failed to gain their equilibrium in time for examinations. It is time to awaken and make a fresh start. It can still be done, in the year courses, but it must be with an effort strong enough to overcome that habit of letting things go until another time. To have things on the mind that we know must be done yet which for some reason we put off is a waste of energy. Start anew and hand in assignments when they are due. After all it is only a matter of determination.

DON TALKIES

Do you think associated student ticket sale?

Oran Asa: "I think they should be compulsory," as has been done in some other J.C.'s. in the state of California. If they are made compulsory the student administration will know in advance just how much they have to spend and thereby relieve the student officials of a lot of worry. I think that after the sale is closed probably after two or three weeks, it should not be reopened until the first of the second semester. It must be remembered that the activities of the school depend largely on the Associated Student sale."

Tommy Cone: "I believe that every student should have to take out a student ticket at the first of the year, because our out-side activities depend to a great extent upon the number of students sold and if they haven't the money they should have to sign a note payable at their convenience. The success of our student administration depends upon the gross receipts from the A.S.B.C."

Oran Asa: "I think they should be compulsory," as has been done in some other J.C.'s. in the state of California. If they are made compulsory the student administration will know in advance just how much they have to spend and thereby relieve the student officials of a lot of worry. I think that after the sale is closed probably after two or three weeks, it should not be reopened until the first of the second semester. It must be remembered that the activities of the school depend largely on the Associated Student sale."

Abbott Mason: "I don't believe the student ticket should be sold throughout the year. They should be on sale at a certain set time, in fact that is the only constitutional way in which they can be sold. Every member should take it upon himself to buy a student body ticket thereby assuring the students activities."

OVER THE EDITOR'S DESK

By Richard Robbins

WITH THE NEW semester comes the new editor-in-chief of "El-Don" and consequently the new writer of "Over the Editor's Desk". Such a column as this may be edited to the advantage of the school and prove an asset to the paper. It will be the endeavor of the new editor to voice the opinion of "El Don" through this column. In doing this he will express no personal opinion, but that of the Associated Students as a whole.

WHY NOT avail yourselves of the opportunity of giving YOUR opinion on school problems by contributing to the Student Comment column?

IT SEEMS like pretty small business to take down posters placed in the halls by the art department advertising college activities. The truth is, that the art department has refused to make any more of these posters if any of the Bachelor ball vertisements are taken. The department has pointed out that these posters are needed for exhibits throughout the term and because of the past "raids" they have had nothing to show for their work. Cooperation with the school artists will mean better advertising of school events.

NOW that the board has decided to give the smoking regulation a test under the jurisdiction of the Associated Students, members of this organization will have the opportunity of supporting their own government. As one of the board members said, "It is my belief that the smoking regulation is one of the best examples of an institution of self-government that has come to our Associated Students. If we do not solve this problem ourselves without the aid of faculty, it will mean that the Associated Students are only capable of handling the less important problems of the student body."

ATHLETES who plan to participate in Santa Ana junior college sports before the close of the semester should avail themselves of a student ticket immediately. The sale will close February 13. The new executive board definitely set the final date of payment for installment February 15. This last date includes the 15 days of grace allowed purchasers of the special tickets. With this regulation any athlete will be ineligible on February 16 if he does not hold an Associated Student Ticket.

AGAIN comes the request that more students join the orchestra. This organization under the direction of S. J. Mustel, director of instrumental music in the city schools, in past years has been a credit to the school, having played at many functions both civic and school. This semester the number enrolled will not permit much progress in playing. The class meets at 8 a. m. Tuesday and Thursday. Students who have this period open and play musical instruments will find it profitable to join the organization.

FEATURE THIS!

Well, well, dear lads and lassies of radio land here it is almost time for the easter bunny. I at least fell a breath of spring in the air. In fact it is rumored that some young ladies ladies have even braved the peril of freezing waters. Incidental, ask Percy and Julia.

Our truism today, my dear friends is... If all the Freshmen in J.C. were placed end to end at a banquet they would reach.

And again if all the frosh were placed end to end how the Sophs would administer justice.

It is reported that Esther Romoff is having a swell new dress for the Bachelor's Ball. We haven't seen it yet, but we understand that in most places it looks quite a bit like Esther.

"Coming events cast their shadows before—"

Especially grade cards. Ask the man that got a D average.

"Scars and Stripes Forever", sang

DOG DAYS

By D. T. Carlisle

Impressions Made On New Jaysee Students After First Week Told

The privilege of being able to walk off the campus, go down town or study was declared by questioned freshmen to be the most impressive thing about junior college after their first week of study in the institution.

"First of all," one of the eager freshmen said, "I just reveled in the glory of not having to get to study halls. Over here a student has to look out for himself—the instructors don't urge you to study. The student is made self-reliant."

Another student looked at the matter in a different way. "It sure seems good not to have to think up an excuse for every cut that we make—let's see," he eagerly figured, "I will have—chances to cut classes this semester."

Still another student was impressed with the fact that he did not have to recite. "The only time I have to show how dumb I am is when the test grades are made out," he said jubilantly. Then too if you haven't the assignment for one day the teacher often never finds it out."

To which the reporter sighed in despair believing that the new freshmen are just as dumb as they always were.

AGAIN TWINS

And now guess what has happened! Wailing and gnashing of teeth are prevalent and embarrassment is frequent. Listen and you shall hear all about it.

Of course you all know those two indistinguishable Smith twins, Advish and Adwain. There was once a time when they could be told apart from each other by the different rings they wore. (Do you suppose they could have been fooling everybody and trading rings). But now those days are gone forever and a good contribution to Ripley's "Believe it or not" has been made. Here it is, listen. They've both got their left hand wrapped in bandages!

Being asked how it all happened, the answer comes that they were doing the weekly washing and got their hands caught in the ringers of the washing machine. And "believe it or not" they both have a reputation for truth-telling.

One thing seems rather pitiful about their case. They are both together in all their classes, so if one wants to go to the beach, the other can hardly do the impersonation. However one of the twins were absent the other day in Miss Lapum's shorthand class and in order to make out the absent list, the instructor had to resort to the diplomatic tactics of asking the one who was present her name.

Their names being Advish and Adwain, the only solution to the problem seems to lie in calling them both "Ad", and then be sure you are right.

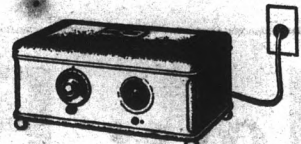

the convict as he was ushered into Sing-Sing for life.

This bit of poetic endeavor is attributed to "Sky" Dunlap. Said the moth, as he sniffed at the campor

I'm sorry I'm here where I amphore Some thing that I eat Taste pleasant and sweet But camphor I don't give a damphor.

Tuning In

On News Of The Past

ONE YEAR AGO THIS WEEK

More than 150 guests of the Brotherhood of Bachelors dance to the music of the Varsity club orchestra at the annual Bachelors' ball, on the floor of the Elite Norconian club.

President George Warner urges every student to express his preference of the type of assemblies to be presented here every Tuesday.

Combining pleasure with business, members of the botany 2B and bontany 4 classes, with J. Russell Bruff, their instructor, travel to Palm Springs. Those making the trip include Mary Elizabeth Smith, Elva Cook, Helen Hendricks, Audrey Teel, Catherine Cosner, Don Young, Ruth-erford Williams, and Mr. Bruff.

TWO YEARS AGO THIS WEEK

Members of the O. K. club meet at the home of Carol Bertolet for a St. Valentine's day party.

Debaters of the Santa Ana junior college prepare for meets with Long Beach and Fullerton.

Hazel Cubberly, well-known hockey coach at the University of California at Los Angeles, visits Santa Ana to take charge of one night's practice here.

THREE YEARS AGO THIS WEEK

In class elections the following have become officers of the sophomore class: John Fitz, president; Bill Allee, vice-president; and Dick Drew, secretary-treasurer.

Games and refreshments furnish entertainment for the Y. M.-Y. W. mixer in Andrews gymnasium.

FOUR YEARS AGO THIS WEEK

George Jordan, editor of University of Southern California's "Daily Trojan", speaks before members of the Santa Ana college "Y". A campus newspaper faces its greatest difficulty when it seeks to print the news, according to Jordan.

Agitation is voiced in regard to whether or not Santa Ana junior college shall have a commissioner of publications.

June Goodwin begins work as editor-in-chief of "El Don".

clines he returns to California determined to stay there and manage a farm of one of his wealthy acquaintances. Having given the idea of finding a rich mine or making a fortune in stokes, a fair trail, he fixes himself comfortably for life in Oakville, California and is content to live quietly with his wife and children in a country that pleases him well.

But speaking of registration, the noble sophomore comes in for his due share of the credit. We are reminded of one promising young man, who in his eagerness to be in at least one class with a number of the feminine favorites, found himself signed up for home making or some such domestic course. Perhaps it was sewing 2A or 3B.

Interest And Desire

We are interested in students' welfare and

Dons Meet Cubs Here Saturday

Glendale Wins From Local Cagemen 42 to 25 In Rough Contest; Rally During Closing Minutes Falls Short

Buccaneer's Display New Offensive System Which Puzzled Padre Cagemen; Hal Dunham And Emmett Seacord Star For Santa Ana On The Offensive

Continuing their losing streak last Saturday, Coach "Bill" Foote's Don cagemen fell before Glendale 42 to 25. The first half was a runaway for the Bucs but the last stanza was evenly matched with Glendale scoring but one more point than the locals.

Santa Ana keenly felt the loss of Captain Schuchardt, who left school to play professional baseball in El Paso. Glendale also had not won a conference game and surprised the padres with their brilliant passing attack.

The beginning of the second half was marred by rough playing on both sides with the Dons receiving more than their share of fouls.

Dunham High Scorer
Scoring three field goals Hal Dunham had local scorers with six points.

Seacord and Lindley were next with five and four points respectively. Castlen was the big noise for Glendale with 12 points to his credit. Berry and Buckley also chalked up 14 digits between them.

The first half was a listless affair with the Bucs getting a 16 point lead over the locals. Santa Ana woke up in the last few minutes of play but the overwhelming lead was too much to overcome.

Reserves Play Good
Lindley, Garlock and Beatty also saw lots of action and showed they were capable substitutes. Lindley and Garlock showed especially well on the defense.

Lindley and Johnson also showed up well for the regulars and time after time stopped set ups. Lindley seems to be improving every game and gave the best performance of the season.

Glendale's offensive plays seemed to puzzle the Dons as they used a new system of blocking which consists of four players spreading out so the one with the ball can shoot untouched. This is a new system in coaching and much should be heard of it in the future.

Dons Unlucky
Last Saturday's contest was a repeat of the same old story.

tion of all the games this season, the inability to click at the right time. The padres have a fighting combination but seem to be unable to keep up a winning spurt throughout the whole game.

Next Saturday the locals play Los Angeles and have hopes of getting out of the cellar even though the Cubs have not lost a game this season. Lineup of the Glendale game is as follows:

The lineup:
Santa Ana (25) (42) Glendale Seacord (6) (7) Buckley Dunham (6) (12) Castlen Appleby (1) (6) Isaac Johnson (2) (7) Berry Lindsey (2) (4) McDonald

Substitutions
Santa Ana—Lindley (4) for Seacord, Garlock (2) for Dunham, Beatty (3) for Johnson, Johnson for Garlock.

Glendale—Hammond (6) for Buckley, Shepard for Castlen, Jones for Berry, Wheatleaf for McDonald, Seely for Hammond, Berg for Isaac.

Santa Ana 11 14—25
Glendale 27 15 42

Jaysee Trackmen Meet Long Beach Here February 28

Cinderpath activities at the Santa Ana junior college were in full swing today, following a call issued Monday by Coach Bill Cook. Although no roll was prepared, a complete list of candidates is expected to be available this week.

It was learned today that Coach Cook will devote every afternoon to hard drill in order to prepare his men for their first league meet, that with the Long Beach Vikings here February 28.

Interclass contests will be staged following "limbering up" drills on the college track for the next few days. For the past few seasons an intense rivalry has existed between the sophomores and freshmen. Interclass events are expected to create the same amount of interest this season as they have created in the past.

Tom Donahue, star miler of the 1930 cinderpath crew, will captain Santa Ana's team this season. Besides holding the college record in the four-lap event, Donahue runs in the two-mile. Candidates who have reported or who will report soon include Tom Donahue, Tom Cone, Art Jacques, Leland Dresser, Carl Schoenberg, Warren Schutz, Melvin Beatty, Ervin Watkins, Emmett Seacord,

SULLY'S SPORT SPOTS!

DID YOU KNOW THAT—

Santa Ana will probably be the only school not to have a baseball team in the college conference. . . . Santa Barbara state college will not give a basketball letter to a girl until she has passed a strict written examination in the rules of basketball. . . . Willie Hoppe, billiard expert, once made a run of 25 points during an exhibition of three cushion billiards. . . . Santa Ana has the best prospects of all times for a good baseball team. . . . Orange boasts two Olympic winners in James Workman and Fred Kelly. . . . Joe Savoldi, Notre Dame football star, is entering the wrestling game. . . . Rowing events of the coming Olympic Games will be held in a specially built rowing lake near Long Beach. . . . Notre Dame has never beaten the army by more than one touchdown and last season it was a single point. . . . Marquette University holds community singing between the halves of its basketball games. . . . The Finns took second in the last Olympiad at Stockholm. . . . Al Kluthe, captain of 1930 football team, has transferred to Loyola college. . . . St. Patrick high school set an all time record for scoring baskets when it beat Sacred Heart high school 107 to 0. . . . and that the inter-class track meet will be held soon.

TRACK SEASON OPENS

Coach Bill Cook's trackmen will open their season February 21, at the first A. A. U. track meet held at Pomona. The meet will be made up of both the Eastern and Western J. C. circuits, and also the Southern college conference. Also a few open events will be held for those unattached. Coach Cook needs twice as much material as has so far reported, and all those wanting to go out for track are urged to do so immediately.

COACHING COURSE DISCARDED

Failure to register the necessary number of students for a class, the new coaching course under Coach Oliver was not started this semester. Only three candidates turned out for the class. The reason for the small enrollment seems a puzzle as quite a few boys as well as girls have signified their desire to become physical education teachers.

POETS HOLD MEET

Whittier college will hold its annual interclass track meet Thursday and Friday on Hadley Field under the direction of Coach Verne Landreth.

Coach Landreth has planned an interclass relay meet. It will consist of a four-man 440, two-man 440, two-man 880 and a two-man mile. The only two track events, outside of the relays, will be the seventy-yard and 120-yard low hurdles.

George Blewitt, Bob Dubin, Don Dresser, Oran Asa, Doyle Gilbert, Doyle Gilbert, Joe Rodriguez, Bert Wilkins, Clarence Hapes, and Ed Meador.

PENN PLANS REFORM

A new reform in college athletics will be inaugurated at the University of Pennsylvania, according to Dr. Thomas Galer, president of the university. High lights of the rules are as follows:

1—Coaches become faculty members, to be paid no greater salary than those paid other instructors. This will probably not exceed \$3,000 a year.

2—Spring, pre-season practice, and use of training house will all be abolished.

DONS BEAT ALL-STARS

Pinch hitting for the Los Angeles Dental college, an all-star team of Santa Ana lost to the Footmen last Wednesday night 27 to 49. The Dons played the best game of the season and seemed to hit the basket from any angle, Dunham leading the local five with 15 points.

The All-star team was made up of Homan, Sullivan, Stull, Hall, Reboin, McChesney and Pangle. Stull was high scorer for the all-stars with eight digits.

Both teams played well the first half but the Dons opened up in the last stanza and seemed to score at will.

STUDENTS IN INTERMURALS

Intermural athletics at Harvard university attracted a total of 837 students to six branches of sports last fall. Football was the greatest magnet, with 250 students competing. Tennis, with 213 competitors, was second in popularity.

DEPRESSION AT FULLERTON

Fullerton junior college athletics have been on a decline, according to the weekly Torch. Attendance at the games have been very limited in the past.

The Hornets are generally on top at the end of a season, but this year everything has been the reverse. Although their football team made a fair record by defeating Glendale, Long Beach, Los Angeles and tying Santa Ana.

EASTERN LEAGUE STANDINGS

With four wins and one defeat to their credit, the San Bernardino casaba squad have an undisputed hold on first place in the Eastern J. C. conference. Although Chaffey, Riverside and Santa Monica still have a chance for the title if Chaffey beats San Bernardino next Saturday.

HOW THEY STAND

	P.	W.	L.	Pct.
San Bernardino	5	4	1	.800
Chaffey	5	3	2	.600
Riverside	5	3	2	.600
Santa Monica	5	3	2	.600
Pomona	5	0	5	.000

Games this Saturday.

Citrus at Riverside.
Chaffey at San Bernardino.
Santa Monica at Pomona.

Old Lady: What was the score?
Student: Nothing to nothing.

Los Angeles Aggregation Comes To Local Gym For Next To Last Struggle Of Basketball Season

Coach Foote Thinks Dons Will Be In Best Of Form And Should Give The Cubs A Stiff Fight; Lineup May Be Same As The Glendale Game

Undaunted by its failure to win a league basketball contest this season, Coach Foote's organization has high hopes of defeating the leading Los Angeles five here Saturday night. The Cubs will be a tough aggregation as they have not yet lost a game and seem to be headed toward the pennant.

Last week the Angels defeated Pasadena 37 to 35 in an overtime game. The contest was evenly matched throughout the evening and only a lucky basket in the extra session gave Los Angeles the victory.

Dons Hopeful
Jinxed by last minute defeats and ineligibility, the padres are determined to overcome everything and set Los Angeles down a notch. The Footmen have been practicing hard this week and will go in the game in a fighting mood.

Santa Ana's lineup will probably be the same as that of Glendale, consisting of Emmet Seacord and Hal Dunham, forwards; Max Appleby, center; Don Johnson and "Truck" Lindsey, guards.

Dunham and Seacord are both

good basket shooters and if either one have a good night, the Dons will be hard to beat.

Beatty, Lindley, Higashi, Garlock and Allen are also showing up good and should see action before the evening is over.

Los Angeles Heads League
With five wins and no defeats the Cubs are heading the conference with Pasadena and Long Beach on its heels. Fullerton, Santa Ana, Glendale and Compton are all hopelessly out of the race.

Pasadena and Compton ought to be the feature game this week as both teams seem evenly matched. Glendale will draw a bye and Long Beach travels to Fullerton for the other conference match.

Games next week are as follows:

JUNIOR COLLEGE CONFERENCE			
	W.	L.	Pct.
Los Angeles	5	0	1.000
Pasadena	3	1	.750
Long Beach	3	1	.750
Compton	2	2	.500
Fullerton	1	3	.250
Glendale	1	4	.200
Santa Ana	0	4	.000

Last Week's Results
Glendale 42, Santa Ana 25.
Long Beach 42, Compton 33.
Los Angeles 37, Pasadena 35.
Fullerton, bye.

Next Saturday's Schedule
Los Angeles at Santa.
Pasadena at Compton.
Long Beach at Fullerton.
Glendale, bye.

Holmes Explains Why Office Girl Does Not Please

"Our biggest kick is the fact that they are scared to death."

This statement was issued this week by George B. Holmes, head of the commercial department, in referring to how college-trained office girls act when applying for positions in city offices. Seeing the need for a new class, one that would correct this major fault, Mr. Holmes has introduced a new one-hour course this semester, called "office education."

Among the various duties which an office girl should know is the proper way of approaching a visitor when the boss of the firm is in conference, according to Holmes. A study of personality will be given in order that the office girl may learn how and when to grant visitors an interview with her boss.

Twenty-five students are enrolled in the one-year secretarial training course offered this semester. Individual help is given the class members and many of them will be ready for positions this spring, Holmes indicates.

In the two-year secretarial class there are 30 students, each of whom is allowed to elect other courses to go along with their office work. "We are placing some of the two-year students now; I think we will be able to place every girl who is enrolled in the one-year course," said Holmes.

Board Meeting

(Continued from page 1)
named on the committee were Oran Asa, editor of El Don for the past semester; John Crowley, editor of El Diario; Robert dePree, former advertising manager of El Don; and Paul Wright, managing editor of El Don.

Phoenix Contacts Severed

Because of loss of local gate receipts, the trying trip, and possibilities for competition in and near Santa Ana, the board adopted as its policy the severing of future activities with the Phoenix junior college. A similar policy was passed in the 1930 term, but because of a guarantee of \$200, the decision was reversed to allow the basketball team to make the trip this winter. All Santa Ana gate receipts were lost because of the trip, it was declared.

Immediate organization of the Orpheo Troupe was discussed. This work of advertising the college by presenting programs in the various high schools of the county will probably be under the supervision of John "Sky" Dunlap, president, and Wayne Flinn, commissioner of forensics. The first program was to be given today at the Newport Harbor Union high school, featuring a play by the advanced drama class. The college was also represented at the weekly assembly of the Orange Union high school Tuesday when Everett Idlor, pianist, Warren Schutz, Don Abbott, and Carleton Smith, members of a trumpet trio and Cecil Slaback, piano-accompanied artist, played on the program.

Through the secretary of the Association, Ada Marie Hendricksen, the main bulletin board will be placed in order each morning. Cooperation in keeping the bulletin board in the best condition possible, has been asked by Miss Hendricksen.

A formal warning was issued all prospective participants in activities of the Associated Students following action which set the deadline for payment of notes on the "cards" February 15. This date includes the 15 days grace usually allowed those holding the special membership. No exceptions will be made to the deadline, it was announced.

Plans and estimations for the building of files for the filing of association records were presented to the board. Definite action probably will be taken at the next meeting of the body. Meetings of the executive board this semester will begin at 4:30 p. m. instead of 5 p. m. as they have in the past.

El Don Journalists Plan Visit To Los Angeles Paper

Continuing his custom of making it possible for Santa Ana junior college journalism students to visit a metropolitan newspaper, Edgar M. Flowers, El Don adviser, has announced that he will make arrangements soon for a trip to some Los Angeles newspaper plant.

Past visits have been to the Los Angeles Times, where the students were shown through the spacious building by a professional newspaperman, who pointed out the many items of interest and explained the process of getting, writing, and preparing the news for publication. The Santa Anas were taken through the editorial, composing, and publishing rooms last year and were amazed at the number of interesting features to be found there, Mr. Flowers said.

The trip now being planned will be held within the next few weeks and probably will be made to the Los Angeles Examiner or Herald, according to Press club officials.

Good Attendance Sees Mason Give Gavel To Dunlap

One more name was inscribed on the Executive Board's traditional gavel Wednesday morning when the members of the Santa Ana junior college gathered in the auditorium to celebrate King's Day, which comes once a semester and is the time when the retiring president introduces his successor, who in turn outlines his plans for the coming half year.

This one hour's ceremony was the highlight of the program Thursday with Abbott Mason, retiring president, having the power between the hours of 8 and 5 to give orders to both faculty and students.

Seated on a huge throne in the center of the stage, King Abbott looked on while his two attendants, Agnes McKinstry and Helen Hendricks, issued written orders to various members of the college. Demanding that the designated ones kneel in front of the throne before carrying out his orders, the King was first entertained by Arthur Jacques, who played a classical selection on the piano.

Program Alternates

The remainder of the program was presented in alternate fashion, the attendants first calling for a musical number and then requiring each member of the Executive Board to give a report on last semester's activities.

Those who contributed to the musical program were Art Jacques, John Crowley, Everett Idlor, and Velma Bishop, piano; Cecil Slaback, accordion; Don Abbot, Warren Schutz, and Carlton Smith, cornet; and Joanna Day, piccolo.

Reports Given

Members of the Executive Board who gave reports were Warren Schutz, vice-president; Tom Clark, treasurer; Tom Cone, commissioner of men's athletics; Marion Parsons, commissioner of women's athletics; Wayne Flinn, commissioner of forensics; Betty Maloney, commissioner of Del Ano; and Oran Asa, commissioner of El Don.

Variety Of Events Will Be Celebrated By Associated Women Students Friday Evening In Auditorium At 7 O'clock

Contributions by several Santa Ana junior college clubs will compose the featured entertainment of "Hi Jinx", a program for women only, which is being sponsored by the Associated Women students and will be given Friday evening in the auditorium at 7 p. m.

Officials have arranged to hold a dance in Andrews gymnasium following the auditorium program. At this time a perpetual trophy will be awarded the college club which, in the estimation of the judges, presented the best skit of the evening. Refreshments will be served after the program.

Los Angeles Playgrounds Chosen As Scene For French Club Frolic Sat.

Completing arrangements for a snow party at the Los Angeles Playgrounds on Saturday, February 14, members of L'hotel de Rambouillet, advanced French club, met Friday afternoon in the classroom of Lella Watson, club adviser.

The meeting took the place of the beach party scheduled for Laguna Beach but which was postponed because of inclement weather and the wet sand at the beach. A new date for the beach party will be set, it was stated by Evelyn Parks, secretary.

The discussion of the snow party was led by Miss Parks and Miss Watson. A large number of French students are planning to make the excursion. The group will leave the college and journey to the mountains in a body. Tobogganing, snowballing, sledding, and other snow sports will be enjoyed.

A group of students taking first year French or who have taken French in the past, was considered for membership in the club and with a few exceptions, all were invited to become members. These new members, and Julien Lecrivain, president of the Bon Matin French club, are all planning to make the snow trip.

Those who were present at the meeting included Evelyn Parks, Velma Bishop, Eugenia Richards, Goldie Peale, Helen Estock, Marie Moog, Julien Lecrivain, Lawrence Haupt, and Lella Watson, adviser.

Sheldon Hayden's debaters held two practice debates with Pasadena junior college yesterday afternoon and last night in the auditorium in preparation for the second round in the junior college league to begin soon. Both were non-decision debates and the question was "resolve that colleges are justified in paying the college athlete."

In the first debate held yesterday afternoon Santa Ana took the negative side and was represented by Louis Bates and Martha Spaulding. The second debate was held last night and Val Jean McCoy and Harvey Anderson represented Santa Ana, Santa Ana again took the negative.

Santa Ana did not do so well in the first round of the debates but are hoping to do a great deal better in the second round.

Climaxing the morning's program, King Mason introduced John "Sky" Dunlap, president-elect, who spoke briefly, saying, "I feel highly honored and wish to follow in the footsteps of my predecessor, who has had a most successful term."

Introduces Board
President Dunlap introduced members of the new Board, who are as follows: Tom Clark, vice-president; Ada Marie Hendricksen, secretary; Bruce Harding, treasurer; George Blewitt, commissioner of men's athletics; Helen Hendricks, commissioner of women's athletics; Wayne Flinn, commissioner of forensics; Betty Maloney, commissioner of Del Ano; George Griffith, commissioner of social affairs; and Richard Robbins, commissioner of El Don.

Glesner, President Of Lions, Recovering From Operation

Latest reports from Saint Joseph's hospital indicate that Ray Glesner, president of the Junior Lions and O. K. club, who underwent an operation last Friday morning for a stomach ailment, is recuperating nicely. It is understood that he rested well last night and that his condition has improved to such an extent that he will be able to have visitors.

Glesner had been suffering from this ailment for the past several months but did not believe it serious enough to warrant his absence from school. He did not register for this semester which would have been his last at junior college. Last Thursday night he went to the hospital and the operation took place Friday morning. For a time his condition was believed to be critical but it is expected that he will be out of the hospital in a short time.

For the past semester Glesner has been president of the Junior Lions and O. K. clubs. His popularity is evinced by the fact that he was re-elected to the Lions' presidency for this semester. He is a graduate of Orange union high school, class of '25 and has been in junior college for the last three semesters. During that time he has participated in many activities and has earned an enviable reputation for himself. Besides his club activities he served as assistant manager of the football squad last semester.

Release List Of Nominations For W.A.A. Election

Nominations were in complete form today for the Women's Athletic Association election which will be held tomorrow in the Associated Students' office.

The following girls have been selected to run in the election:

President—Luella Marshall, Marion Parsons, and Elsiebell Hurd.
Vice-president—Hazel Hushman, and May Hasenjaeger.
Secretary—Ruth Gardner.
Treasurer—Elizabeth Riniker.
Freshman representative—Eugenia Richards and Demaris Sears.
Sophomore representative—Maybelle Ball.

A list of those eligible to vote is posted on the bulletin board. Present members of the association are Lorna Allen, Jean Anderson, Marjorie Burns, Joanna Day, Gladys Earley, Ruth Gardner, Eugenia Gire, Helen Hendricks, Elsiebell Hurd, Catherine Harwood, May Hasenjaeger, Micala Jimenez, Bernice Keller, Katherine Kendall, Imogene McCauley, Neva McDonald, Agnes McKinstry, Luella Marshall, Marion Parsons, Eugenia Richards, Elizabeth Riniker, Florence Stanley, Rachel Smith, Demaris Sears, Miriam Samuelson, Shirley Thurman, Audrey Teel, Evelyn Williams, Virginia Warner, and Irene Whisler.

Anyway, now that everyone is all registered, and the monotony can only be broken by changing classes, a peace of calm pervades over the atmosphere.

Longfellows Will Elect New Officers; To Plan Snow Party

New officers for the Longfellows club, unique organization with a membership of nearly 50 college men over six feet in height, will be chosen at the meeting of the six footers next Wednesday night at 7 p. m. in the print shop.

Plans for a snow party in the mountains will be another main item of business and definite plans will probably be drawn for such an event. The club will also probably accept the challenge of the faculty in golf

and give the instructors a chance to get revenge for the severe defeat suffered in basketball.

With new officers installed, a definite program will be mapped out and more achievements planned for the club. Among the projects of the past semester were a feminine fashion show, two parades, Derby Day, and raising the awnings of the business district.

Present officers are John "Sky" Dunlap, president; Charlie Greenleaf, vice-president; Ed Meador, secretary and Milton V. Newcomer, adviser.

Breakfast Club Seats New Pres.

Lecil Slaback, recently elected vice-president of the Breakfast club, assumed the president's chair at last Sunday's meeting to replace Ed Kilbourne, who handed in a resignation following his election to the presidency two weeks ago.

Defeating Kenneth Eastman by one vote, Robert Brown, president of the Gauchos, was chosen to fill the place left vacant by Slaback. Brown was defeated at the first election. Mitchell Hookins was elected secretary-treasurer of the organization.
